بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

RATIONALE:

Al-Khair Academy believes that students should honor a commitment to finishing a class for which they signed up. However, Al-Khair acknowledges that students often wish to try various classes in an effort to explore different educational options but we believe in the Islamic principle of finishing a course got the barakha and not just starting and stopping it. Patience in seeking knowledge is a must to be applied by parents and children must be advised on the same to have beautiful patience in seeking knowledge and respect the teacher. Further, although unpredictable circumstances can arise, academy does not wish to encourage students to drop a class simply because it is difficult. Therefore, academy has adopted the following policies.

POLICY:

- No dropping off form must be signed if you are enrolled in a group class until the the book is completed or the course.
- You are advised to check your time zone and days again before signing this document or registering for a course.
- If any personal matter turns up you are still need to cooperate with the management by paying the fees until the classes end officially as teachers wages are shared by students enrolled.

I here by declare that I agree to the above mentioned policies of academy and willing to abide by the rules of the platform.
